Attention: Ginette Bain, Senior Vice-President

Subject: Declaration of Standards Council of Canada GLP Recognition

Dear Madam:

The letter is to assert that the Standards Council of Canada is ready to approve the Good Laboratory Practices (GLP) recognition of your facility.

All full inspection occurred from April 12th to 16th, 2010 confirming that your facility met all of the OECD GLP program requirements and criteria. Under SCC's GLP program, your facility will be undergoing regular on-site inspections to ensure that those requirements and criteria are continually met.

If you have any other questions, please contact the Standards Council of Canada, Laboratory Accreditation Division.

Yours sincerely,

Stephen Cross
Director, Conformity Assessment
